

AcSIR-AFFILIATION AND ACCREDITATION:

- The Academy has been accepted as a member of Association of Indian Universities (AIU). AcSIR is included in its website:(<http://www.aiuweb.org/Members/MembersA.asp>)
- The Academy has also been accepted as a member of Association of Commonwealth Universities (ACU). AcSIR is included in its website: <https://www.acu.ac.uk/membership/acu-members/>
- AcSIR is now also enlisted in Ministry of Human Resource Development (MHRD) website under Institutions of National Importance (<http://mhrd.gov.in/institutions-national-importance>) at S. No. 53.
- AcSIR has also formally communicated to UGC for listing of AcSIR as an Institutions of National Importance on their website. We are awaiting response from UGC.
- AcSIR plan to apply for accreditation to National Assessment and Accreditation Council (NAAC) but will have to ensure that the academic programs are running smoothly at all the CSIR Labs before we actually apply lest inspection become a problem.

The current status would give better visibility to AcSIR while the students apply in different academic institution for their career plan post AcSIR academic degrees.
